

## **IAF and Agraya GmbH Scheme Endorsement Agreement**

### **1. Introduction**

- 1.1 Agraya GmbH (formerly FoodPLUS GmbH) is the scheme owner of the worldwide operated GLOBALG.A.P. schemes. Agraya GmbH (hereinafter referred to as AGRAYA) has sought and received endorsement of their schemes listed in Schedule 1 to this Agreement (hereinafter referred to as “the Schemes”) as IAF MLA sub-scopes in accordance with IAF PL3 and this Agreement.
- 1.2 The Schemes require Certification Bodies (CBs) operating in the Schemes to be accredited by an Accreditation Body (AB) that is a signatory to the IAF Multilateral Recognition Arrangement (MLA) with a main scope of product certification and a sub-scope of the relevant scheme(s) included in Schedule 1 to this Agreement (IAF MLA signatories).
- 1.3 AGRAYA sets voluntary standards for the certification of agricultural products around the globe. The aim is to establish ONE standard for Good Agricultural Practices (G.A.P) with different product applications capable of fitting into the whole of global agriculture. AGRAYA is supported by 54 Retail & Food Service Community Members, 185 Producer & Supplier Community Members, and 228 Associate Community Members.
- 1.4 AGRAYA contracts at the time of this Agreement with 190 CBs worldwide under the Schemes, the supervision of which is carried out by the ABs that are IAF MLA signatories.
- 1.5 The GLOBALG.A.P. requirements for the professional competence of personnel auditors are defined in the relevant scheme General Regulations.
- 1.6 AGRAYA delegates the responsibility of supervision of the CBs it contracts with to the corresponding IAF Accreditation Bodies, noting that harmonization of criteria applied by the different ABs is increasingly important to ensure consistency of that supervision.
- 1.7 The Schemes provide the standard and framework for independent, recognized third-party certification of processes associated with the scope of the Schemes.
- 1.8 The **International Accreditation Forum (IAF)** is the world association of conformity assessment accreditation bodies in the fields of management systems, products, services, process, persons, validation and verification and other similar programs of conformity assessment.
- 1.9 IAF is responsible for the harmonization and continuous improvement of the accreditation practices of its members with the ultimate goal to ensure sound technical

competence of accredited CBs and V&VBs (Validation and Verification Bodies) and to support its IAF MLA.

- 1.10 The IAF MLA is established and maintained based on the requirements of ISO/IEC 17011 through regular peer evaluations and is the tool by which IAF contributes to the elimination of technical barriers to trade and to promoting the free circulation of certificates issued by accredited CBs and V&VBs.

## **2. Administration and Cooperation**

- 2.1 Both IAF and AGRAYA, by means of this formal Agreement, have decided to develop and maintain a close cooperation between the two organizations to ensure harmonization in the accreditation practices performed by IAF members for the Schemes and to cooperate in the continuous improvement of the Schemes with the final goal of assuring the highest level of competence in the Schemes' accredited CBs.
- 2.2 IAF and AGRAYA shall comply with the respective requirements of IAF PL3 *Policies and Procedures on the IAF MLA Structure and for Expansion of the Scope of the IAF MLA*, operating and administrating in an open, non-discriminatory and transparent manner, avoiding conflicts of interest or limitation on the acceptance of CBs or ABs other than relevant technical considerations.
- 2.3 The Schemes will be open to all CBs that are accredited by IAF MLA signatories. The ABs will be signatory members of the IAF MLA for product and have agreed to implement the requirements as per the IAF/ AGRAYA MoU. A list of IAF ABs that have agreed to implement the IAF/ AGRAYA MoU shall be maintained on the GLOBALG.A.P. website.
- 2.4 AGRAYA will only work with IAF MLA signatories and who have agreed to implement the IAF/ AGRAYA MoU. AGRAYA will stop working with an AB that is no longer a signatory to the IAF MLA or has not implemented and maintained the IAF/ AGRAYA MoU.
- 2.5 Both IAF and AGRAYA shall appoint a liaison person of each organization to act as contact persons.
